

eBooks for mobile devices

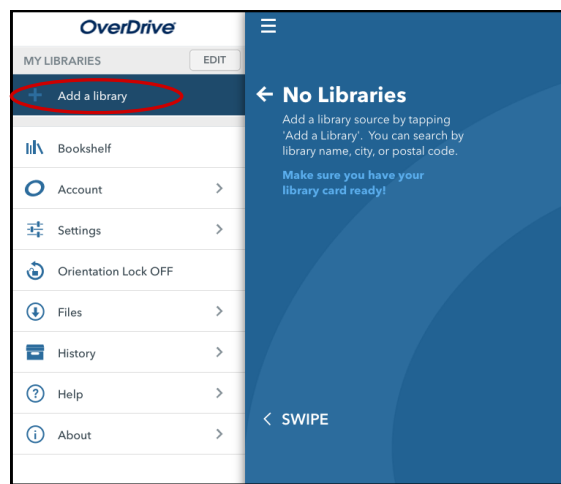

Updated 8/24/2016

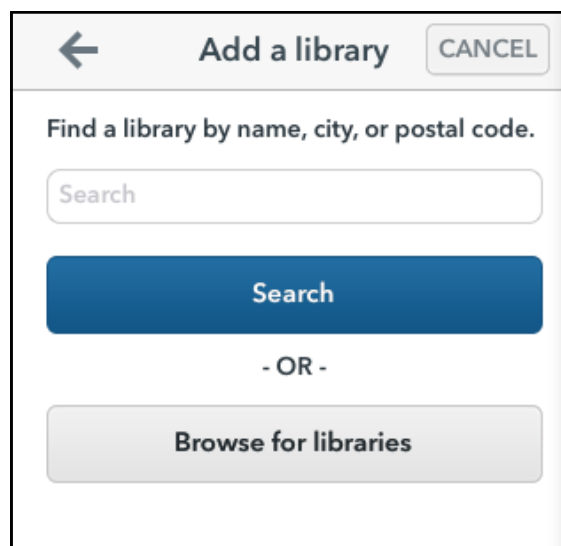

Install the Overdrive app from your device's app store or market .

Open the Overdrive . Follow the prompts to create an [OverDrive account](#).

Find your library's OverDrive-powered website. In newer versions of the app, you can do this by swiping from left to right to open the **Home menu**, then tapping **Add a library**.

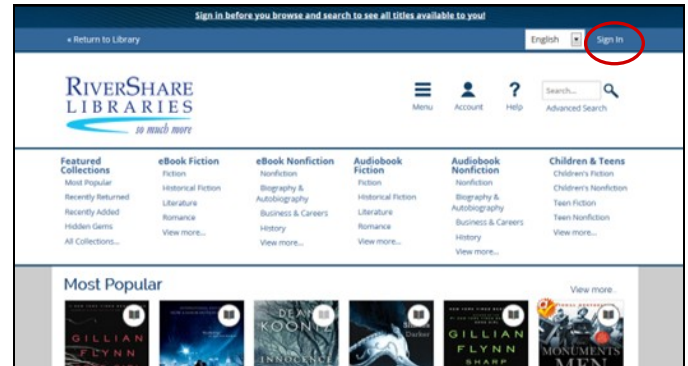

A search window will open; for Bettendorf, search by zip code 52722.

Tap the star to save RiverShare's OverDrive to your library list.
 Tap your library's name to start browsing.

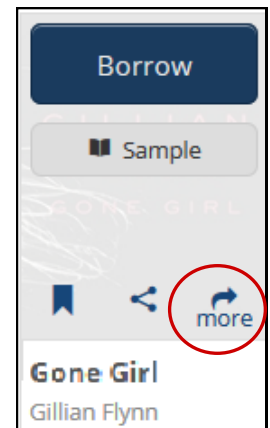

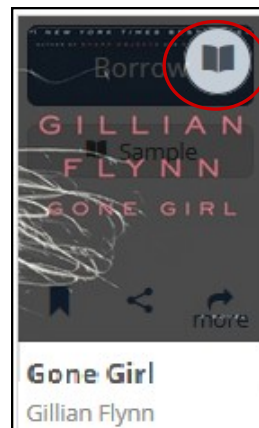

Sign in with your library card.

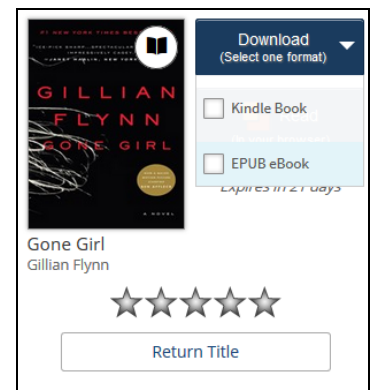

Browse or search for an eBook.

The black book or headphones icon in the upper right corner indicates a title is available for checkout; a grey book icon indicates the title is checked out. You can place holds on checked out titles.

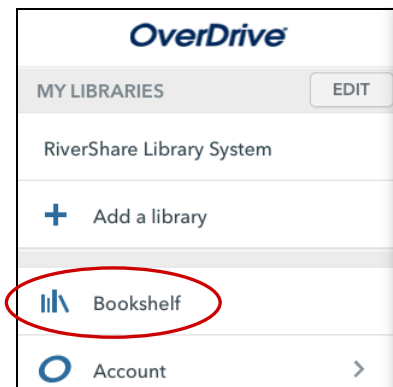

Tap a title. You'll see options; click on the Borrow button to check it out; tap on more to see more information about the title, to borrow or to place a hold.

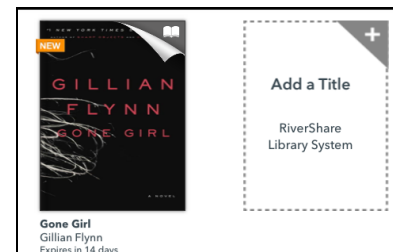

Pull down the Download menu to "Select one format," and click on the box next to "EPUB Book." Click on "Confirm & add to app."

The title will get transferred to your device via wifi. In the OverDrive app, swipe from left to right to see your menu. Select your Bookshelf.

Click on the cover image of the book to read it.

Press and hold the cover image to open a menu that allows you to return or delete the title.
